EXERCICE 1

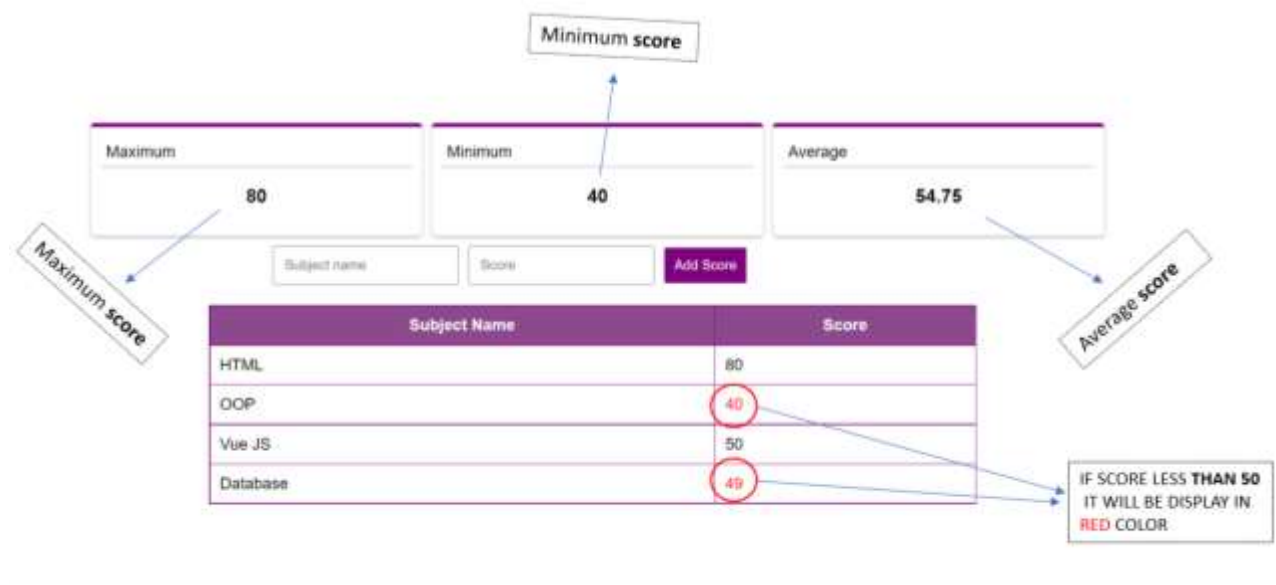

- Add Task name with their priority
- Count number of tasks with differences priority

The screenshot shows a Google Form interface for task management. At the top, there are four priority labels: "High", "Normal", "Document", and "Nice to have", each with a corresponding colored circle (red, green, blue, and yellow) and a number (2, 1, 1, and 1) indicating the count of tasks. Below these is a form with a text input field labeled "Enter task name" and a dropdown menu with options: "Normal", "Nice to have", "High", and "Document". Below the form, there is a list of tasks with their respective priorities and counts:

Task Name	Priority	Count
OOP Exam	High	2
Gyglisch	Normal	1
Learn React JS	Document	1
Create Vue Document	Nice to have	1
Vue JS Midterm Exam	High	2

EXERCICE 2
